

Real Men Don't
Lie to get Sex

You can't tell who
has HIV by just
looking at them

If you're gonna
"get it on" put it on

Respect is a
2 way street

Ladies-
Protection is our
responsibility too!

The pill can't
protect you from
HIV or STDs

Protect yourself
for the right reason...
Because you're
worth it!

Education is a right
not a privilege

Protect yourself
protect your future
