INUIT WORKING GROUP

OUR VISION

Inuit women and girls are strong and resilient. We are entitled to the same standards of safety, health, education and justice, as well as physical, emotional, economic, social and cultural security enjoyed by all Canadians.

Physical security
Emotional security
Economic security
Social security
Cultural security
Safety
Health
Education
Justice

Today our reality is very different. Our Inuit Action Plan will address the gaping inequalities faced by Inuit with concrete, timely and measurable positive changes so that Inuit women and girls and 2SLGBTQQIA persons achieve substantive equality. We deserve nothing less.
