

Comité de prévention des infections
dans les centres de la petite enfance du Québec

Wash and disinfect AFTER EVERY USE

- Changing tables
- Tables used for meals and snacks
- Dishes, glasses and utensils (can be disinfected in a dishwasher)
- Kitchen counters and cutting boards
- Potties, potty chairs and sinks where these items are washed
- Washcloths used on the buttocks
- Wading pools

Clean up vomit, urine, blood or feces (human or animal) **immediately**, including when found in sandbox.

Wash and disinfect EVERY DAY

(Check off when completed)
